

The goals of the GRHS-AHSGR Liaison Committee are:

- A. To promote inter-societal co-operation between GRHS and AHSGR for the development for the following activities:
  - 1. Organize and finance joint ventures.
  - 2. Share archive acquisitions information.
  - 3. Organize joint publication projects (such as translations and genealogical research materials).

(Co-operation in these activities would avoid unnecessary duplication of expenses and labor.)

- B. To encourage contacts and joint projects with other Germans from Russia and German American organizations. (Such as FEEFUS, Mennonites, German-American groups, etc.)
- C. To promote development of contacts with Germans from Russia organizations in Germany and elsewhere. (Such as Hungary, Poland, Ukraine, etc.)

The goals in this draft are based upon the following:

Section A. deals with United States based activities.

Section B. addresses further outreach in North and South America.

Section C. refers to a wider outreach to the countries of our ancestors.
