

Library Committee

- 1) The Committee shall recommend guidelines for GRHS regarding the acceptance of gift collections of German Russian documents appropriate for the GRHS library collection. It shall submit recommended guidelines to the GRHS Board for approval.
- 2) The Committee shall meet on a regular basis to evaluate the capabilities of the library, research and storage areas of GRHS headquarters in order to be able to make recommendations regarding storage of all the current library collections, and the future physical expansion requirements for all projected collections. It shall submit recommendations to the GRHS Board for approval.
- 3) The Committee shall evaluate all proposed gift collections to GRHS regarding compatibility with GRHS goals, including all costs associated with the acquisition, processing, and administration of such collections. It shall make recommendations to the Board regarding the acceptance of all specific gift collections. It shall consult with other committees of GRHS as appropriate.
- 4) The Committee shall meet on a regular basis to evaluate the ability of the physical facilities of GRHS Headquarters to meet the needs of storing and administering the library and research collections of GRHS.
