

Membership Committee

The purpose of the Membership Committee is to increase GRHS membership by recruiting new members and to assist in the retention of existing GRHS members.

The GRHS Membership Committee works closely with individual Chapter officers and the membership chairpersons to provide the Chapters with assistance in areas such as printing, mailing, and in facilitating the exchange of ideas to enhance membership.

The GRHS Membership Committee works closely with other committees such as By-laws Committee to assist GRHS to address the changing needs of its membership. Work is done with the Convention Committee to help plan strategy sessions during the Annual Convention which are designed to assist Chapter Officers and Chapter Membership Chairpersons.

The GRHS Membership Committee meets at least quarterly, during the regularly scheduled BOD meetings. More frequent contact will take place between meetings via e-mail as needed.
