Information on Vegan, Vegetarian, and Gluten Free Diets: The hotel offers a combined meal option that accommodates vegan, vegetarian and gluten free diets. Please indicate your need for an alternative meal on the pre-registration form by listing the number of individuals requiring this option for each meal. Once your request is received, the menu will be emailed to you. At that time, you may choose to remain with the alternative meal or switch to the standard meal by notifying headquarters.

Please note: Once you confirm the alternative meal, it will be specially prepared for you. To avoid unnecessary costs, changes cannot be made at the convention, and you will not be able to switch to a standard meal onsite. You will receive a tripod marker in your registration packet to place on your table during meals. This helps staff identify and deliver your alternative meal. If you do not have your tripod with you, please inform the wait staff that you have a pre-requested alternative meal.

The schedule of presentations and titles are tentative and may change. Times and places for all presentations will be published in the convention booklet, which you will receive in your registration packet at the convention.
